YEREVAN — The 15th award ceremony for the Republic of Armenia's State Award for Global Contribution to High Technologies took place today.

Prime Minister Nikol Pashinyan, President Vahagn Khachaturyan, representatives of the legislative and executive branches, and other guests attended the event.

PM Pashinyan presented the award to Japanese scientist Yoshiaki Damon Hagiwara—founder of the AIPLAB consortium and president of the LOCOMTEC AIPS Laboratory for Artificial Intelligence Partner Systems.
