

Sweet Memory ♡

Yoshiaki Hagiwara was on TV once talking about the future of self-driving artificial intelligent cars.

March, 2013

Prof. Yoshiaki Hagiwara at Sojo University was on TV.

The AIPS Self Driving Cars are on the way in near future.

Yoshiaki Hagiwara wrote a book in 2016 titled “World of intelligent Digital Circuits” explaining building blocks needed to produce Artificial Intelligent Partner System(AIPS).

Sorry it is a 460 pages and hard cover book but written in Japanese.
